REAL ENJOYMENT.

The woman who reads this will understand to the full what Mrs. Tipton meant when she says: "I am enjoying good health." It takes a person who has been made weak by sickness to understand the joy of health.

There are very many women who suffer as Mrs. Tipton, who might be cured as she was by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries the drains which weaken women, heals inflammation, and cures female weakness. It makes weak women strong, sick women well.

"It is with pleasure I recommend Dr. Pierce's medicine," writes Mrs. Soma Tipton of Cropper (Cropper Station), Shelby Co., Kentucky. "You remember my case was one of female weakness and I had no appetite and would not eat. I had no sleep and my feet ached for the pain through my whole body and system. My husband had to pay large doctor bills for me, but since I have taken four bottles of Dr. Pierce's Favorite Prescription, my appetite has returned, I sleep well, and my feet no longer ache. I have been able to do my usual work, and I feel better than I ever did before."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of female weakness. Do not accept an unknown or unproved substitute in its place.

Dr. Pierce's Pleasant Pellets are a ladies' laxative. No other medicine equals them for gentleness and thoroughness.

The Presbytery.

The spring meeting of the Sequoyah Presbytery finished its business sessions last Saturday and many of the members departed for their homes.

Rev. Harry Williams of Muskogee and Elder A. F. Romig of Tulsa, were elected delegates to the general assembly which meets in New York in May.

You Can't Loose Flesh or Appetite.

Farmer City, Ill., Dec. 20, 1900. Peoples Syrup Co., Monticello, Ill.

Gentlemen—My seven-months old baby was troubled a great deal with his stomach and bowels. I had tried numerous remedies with no good results, until the baby lost much flesh and was in very poor health. A friend recommended Dr. Caldwell's Syrup Pepsin. I procured a 10c bottle at Hunt's Drug Store and gave the contents to the baby according to directions, after which there was a decided improvement in his condition. Have been giving him Dr. Caldwell's Syrup Pepsin for about a month with very satisfactory results, his stomach and bowels being in a good healthy condition and his former weight regained. Very truly yours,

Dreadful Attack of Whooping Cough.

Mrs. Ellen Harrison, 309 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough; one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Kidney and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Before substitutes. For sale by Peoples drug store. dw

Chandler as a Vote Winner.

The talk had turned to politics and politicians, among a group of gentlemen, at the Cobb house this morning, and soon centered on the recent city election. One of them, well known as an active participant in a number of city campaigns in discussing the personnel of the workers on either side in the late contest, said: "There was more well directed and intelligent effort used in this election than any heretofore in Vinita. Both sides were well organized and the fight was cleverly conducted, up to the day of election, when the regulars were stampeded. To my mind the first man who broke their ranks was Bert Chandler. He had been tireless in his efforts to win over votes from the day the movement started, and having an opportunity to watch the results that came, I can testify that he performed yeoman service. Without disparaging the efforts of the other earnest workers who by their work in their particular fields assured victory, I wish to remark that there are very few clever politicians in the Indian territory as Bert Chandler." And the rest of the group remarked that "Bert" was a past master at the game.
